

# End-of-Life and Discontinued Product Announcement

## Dominion KX II-101 v2

June 30, 2019

Legrand is announcing the End-of-Life (EOL) and discontinuation of the Raritan part numbers outlined in Table 1. With this announcement, we encourage you to contact us to decide which replacement, alternative, or comparable Raritan product offering will best fit your operations.

### Announcement Milestones

|               |  |
|---------------|--|
| June 30, 2019 | <b>End-of-Life Announcement (EOLA)</b> is the public notification date that commences the announcement that a product has been discontinued.   |
| June 30, 2019 | <b>Last Order/Sale Date (LOD)</b> is the last date on which purchase orders may be placed for the affected product.  |
| 10/30/2019    | <b>Last Ship Date (LSD)</b> is the last possible ship date that can be requested for the affected product.   |
| 12/31/2022    | <b>End of Support Date (EOS)</b> is considered the final EOL milestone. It's the last date to receive engineering and technical support services for the affected product(s) under a service contract or by warranty terms and conditions. |

### Table 1: Part Number(s) Affected by This Announcement

The Dominion KX II-101-V2 (DKX2-101-V2) is Raritan's single port, KVM-over-IP switch. Due to the unavailability of electronic components, we cannot continue to manufacture the product. The end-of-sales is scheduled for June 30, 2019, or until supplies last. The end-of-support is scheduled for two years after the end-of-sales date. All standard and extended hardware warranties will be honored.

A next-generation, replacement product is the Dominion KX IV-101 (DKX4-101).

| End-of-Life /<br>Discontinued<br>Part Number | Product Description  | Suggested<br>Replacement<br>Part Number | Replacement<br>Product Description   |
|--|--|---|--|
| DKX2-101-V2                                  | Secure single -port KVM-over-IP unit with optional local port access. Includes integrated KVM cable, USB cable, serial cable, AC/DC adapter, and Rack-mount kit. | DKX4-101                                | Single port, ultra HD, 4K, high-performance KVM-over-IP Switch, HDMI/USB pass-through local port |

## Your Next Steps

We recommend following these steps to make sure that you are doing what is best for your operations.
