

# End-of-Life and Discontinued Product Announcement

## Dominion KX III: DKX3-864

September 28, 2022

Legrand is announcing the End-of-Life (EOL) and discontinuation of the Raritan part numbers outlined in Table 1. With this announcement, we encourage you to contact us to decide which replacement, alternative, or comparable Raritan product offering will best fit your operations.

### Announcement Milestones

September 28, 2022	<b>End-of-Life Announcement (EOLA)</b> is the public notification date that commences the announcement that a product has been discontinued.
September 28, 2022	<b>Last Order/Sale Date (LOD)</b> is the last date on which purchase orders may be placed for the affected product.
September 28, 2022	<b>Last Ship Date (LSD)</b> is the last possible ship date that can be requested for the affected product.
September 28, 2024	<b>End of Support Date (EOS)</b> is considered the final EOL milestone. It's the last date to receive engineering and technical support services for the affected product(s) under a service contract or by warranty terms and conditions.

### Table 1: Part Number(s) Affected by This Announcement

Due to ongoing global supply chain challenges, we are announcing the end-of-life of the Dominion KXIII product model: DKX3-864. We will continue to support this product through firmware updates, but we will no longer process orders or manufacture additional units. All other models in the Dominion KXIII line remain unaffected and in production. Sales and support are available to help transition to alternate models as needed. Please contact us for more information.

End-of-Life / Discontinued Part Number	Product Description	Suggested Replacement Part Number	Replacement Product Description
DKX3-864	64-port KVM-over-IP switch, 8 remote users, DVI local port, virtual media, dual power.	DKX3-464	64-port KVM-over-IP switch, 4 remote users, DVI local port, virtual media, dual power

## Your Next Steps

We recommend following these steps to make sure that you are doing what is best for your operations.

- ✓ Download a [list of discontinued Raritan part numbers](#) to determine if a product/model in its end-of-life is in use in your operations.
- ✓ Review your existing service contract terms to understand your [remaining coverage](#).
- ✓ To select an alternative or comparable Raritan product offering, contact your Raritan [sales representative](#), as a direct replacement product is often available.
- ✓ Breathe easy knowing that you will have [expert support](#) from the Raritan team to help you during your transition to a newer Raritan product offering.
