

End-of-Life and Discontinued Product Announcement

Paragon II

December 28, 2006

Legrand is announcing the End-of-Life (EOL) and discontinuation of the Raritan part numbers outlined in Table 1. With this announcement, we encourage you to contact us to decide which replacement, alternative, or comparable Raritan product offering will best fit your operations.

Announcement Milestones

December 28, 2006	End-of-Life Announcement (EOLA) is the public notification date that commences the announcement that a product has been discontinued.
December 28, 2006	Last Order/Sale Date (LOD) is the last date on which purchase orders may be placed for the affected product.
December 28, 2006	Last Ship Date (LSD) is the last possible ship date that can be requested for the affected product.
March 27, 2009	End of Support Date (EOS) is considered the final EOL milestone. It's the last date to receive engineering and technical support services for the affected product(s) under a service contract or by warranty terms and conditions.

Table 1: Part Number(s) Affected by This Announcement

Paragon II has been a reliable staple of the Raritan product line for over a decade. Due to the unavailability of critical electronic components, you will no longer be able to purchase Paragon II switches and User Stations. End-of-support for the Paragon II has also come to an end. The replacement upgrade for this product is the Dominion KX III and IP User Station.

End-of-Life / Discontinued Part Number	Product Description	Suggested Replacement Part Number	Replacement Product Description
