

End-of-Life and Discontinued Product Announcement

Paragon II CIMs & MCUTP Cables

September 2, 2019

Legrand is announcing the End-of-Life (EOL) and discontinuation of the Raritan part numbers outlined in Table 1. With this announcement, we encourage you to contact us to decide which replacement, alternative, or comparable Raritan product offering will best fit your operations.

Announcement Milestones

September 2, 2019	End-of-Life Announcement (EOLA) is the public notification date that commences the announcement that a product has been discontinued.
December 31, 2019	Last Order/Sale Date (LOD) is the last date on which purchase orders may be placed for the affected product.
December 31, 2019	Last Ship Date (LSD) is the last possible ship date that can be requested for the affected product.
December 31, 2021	End of Support Date (EOS) is considered the final EOL milestone. It's the last date to receive engineering and technical support services for the affected product(s) under a service contract or by warranty terms and conditions.

Table 1: Part Number(s) Affected by This Announcement

Paragon II CIMs and MCUTP cables are officially end-of-life effective September 2nd, 2019 and the last order date is December 31st, 2019, to due KVM matrix switches being no longer available. The direct replacement for the Paragon II is the Dominion KX III product series. The replacement for P2CIM-SER is DSAM-2 and DSAM-4 and for the MCUTP cable is MasterConsole Digital product series.
